Artist Heidi Hahn will now be represented by Kohn gallery in Los Angeles and Nathalie Karg Gallery in New York.

Kohn will host its first solo show with the New York-based artist in the spring of next year, and Karg has a solo show on tap with her for March of 2020.

Hahn, who originally hails from Los Angeles, works primarily in painting, and the female figure recurs throughout her work, which alludes to artists as disparate as Helen Frankenthaler and Edvard Munch.

Kohn director Joshua Friedman said in a statement to press, "Heidi's figures reclaim and rewrite the female form . . . moving away from the narrative that the male gaze has so often presented."
